

Summer School and Workshop

# CARLA

## Concepts in Action: Representation, Learning, and Application

**Summer School · August 06–10, 2018**

**Concepts and Conceptualization: From the Lexicon to Situated Conversation**

Nicholas Asher and Julie Hunter, Institut de Recherche en Informatique de Toulouse

**A Linguistic Perspective on Concepts**

Christiane D. Fellbaum, Princeton University

**Where do Conceptual Domains Come from?**

Peter Gärdenfors, Lund University

**The Learning and Use of Concepts by Humans**

Robert L. Goldstone, Indiana University

**Co-acquisition of Concepts and Language: Computational Models and Robot Experiments**

Michael Spranger, Sony Computer Science Laboratories Inc.

**Deadline for application:** April 30, 2018

**Workshop · August 11–12, 2018**

The CARLA workshop provides an excellent opportunity to present and discuss ongoing research on concepts from a variety of fields.

**Deadline for submitting abstracts:** May 20, 2018

### Venue

Both the summer school and the workshop will take place in Osnabrück, Germany.

### Contact

Lucas Bechberger, Kai-Uwe Kühnberger, Ulf Krumnack and Mingya Liu

Institute of Cognitive Science · Osnabrück University
